# Main Page

This is the 'Main Page', you can choose a module in the navbar to continue.

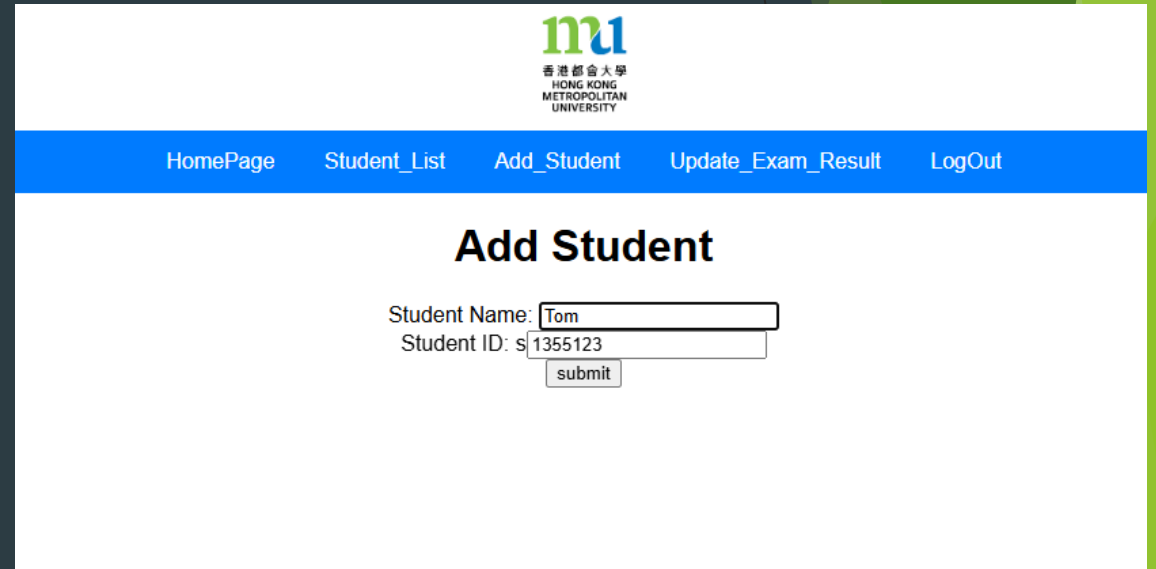

# Add Student

You can click 'Add student' and input a student's name and ID to append a student card in 'Student List'.

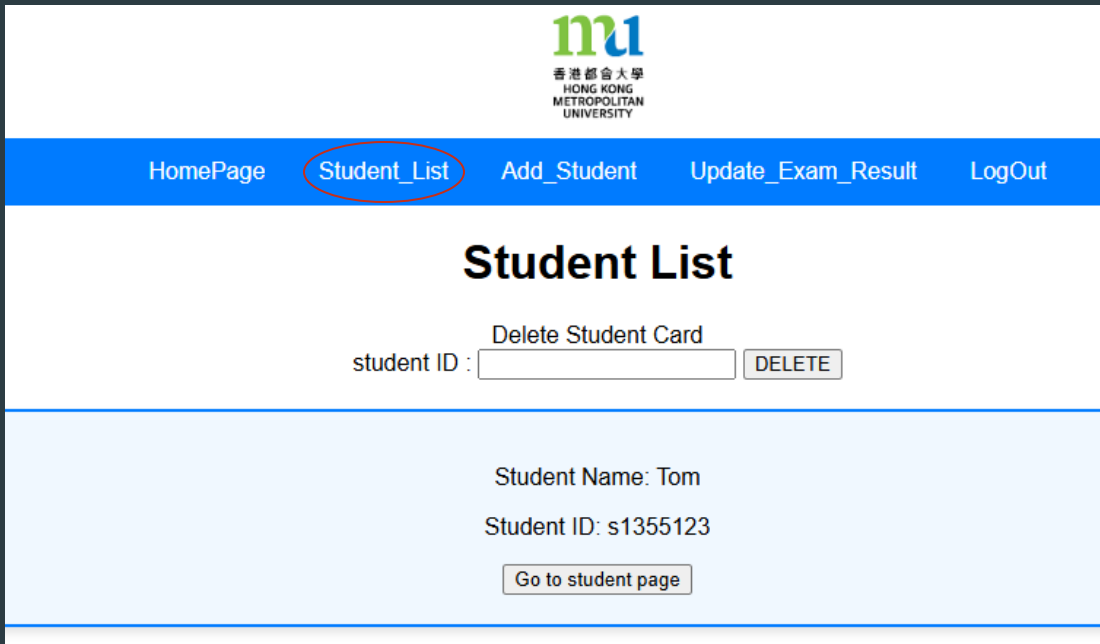

The screenshot shows the Hong Kong Metropolitan University (HKMU) website header with the logo and navigation links: HomePage, Student\_List, Add\_Student (circled in red), Update\_Exam\_Result, and LogOut. Below the header, the page title is "Add Student". The form contains two input fields: "Student Name:" and "Student ID: s". A "submit" button is located below the "Student ID" field.

The screenshot shows the same "Add Student" form, but with the input fields filled. The "Student Name:" field contains "Tom" and the "Student ID: s" field contains "1355123". The "submit" button is still present below the "Student ID" field.

# Student List

You can click 'Student List' to check student's name and ID, also can delete specific student from the list.

The screenshot shows a web application for Hong Kong Metropolitan University. At the top is the university's logo and name in Chinese and English. Below this is a blue navigation bar with links: 'HomePage', 'Student\_List' (which is circled in red), 'Add\_Student', 'Update\_Exam\_Result', and 'LogOut'. The main content area is titled 'Student List'. It contains a section for deleting a student, with the text 'Delete Student Card' and a form labeled 'student ID :'. The form has a text input field and a 'DELETE' button. Below this, on a light blue background, are the details for a selected student: 'Student Name: Tom' and 'Student ID: s1355123'. At the bottom of this section is a button labeled 'Go to student page'.
